

PREMIER JET AVIATION

Specifications

Registration: N656JG

Serial Number: 560-0298

Year Built: 1995

This is the Citation Ultra, one of the most efficient business jets in the world, offering ample cabin space and baggage capacity along with low acquisition and operating costs. The Ultra cruises at speeds up to 429 knots while comfortably operating at above the weather altitudes up to 45,000 feet. The Ultra can take-off from runways as short as 3,200 feet at maximum gross weight and fly over 1,900 nautical miles non-stop. The Citation Ultra represents one of the best transportation values in the business jet market today.
