

Specifications

Registration: N900GT

Serial Number: 1158

Year Built: 2009

The Pilatus PC-12 NG has gained a reputation for outstanding versatility, performance, reliability and operational flexibility. As such, it is one of the most popular turbine-powered business aircraft on the market today. Over 1200 aircraft have been sold. In operation around the globe, the PC-12 NG has found popularity in a number of roles—executive transport, cargo, air ambulance, airline, and government special mission applications. Whether it is the large cabin, single pilot operations, long range, low operating costs, high speed, short-field capability, or precision Swiss engineering and construction, customers find the perfect balance of features to serve their needs in the PC-12 NG.

- **Total Time Airframe: 1874.1 Hours (as of 29 May 2014)**
- **Total Time Engines: 1874.1 Hours**
- **Total Cycles: 1196**
- **HSI Inspection 7/14 (in progress)**
- **Annual Inspection 7/14 (in progress)**
- **Known Icing**
- **RVSM Compliant**

Avionics – Integrated Honeywell Primus Apex Suite – PREMIUM PACKAGE

The PC-12 NG features state-of-the-art Honeywell Primus Apex avionics. Four large displays, including two Primary Flight Displays (PFDs) and two Multi-Function Displays (MFDs), provide an unprecedented amount of viewing area and integrate flight information, engine monitoring, aircraft configuration, pressurization, and environmental controls. Flight and weather data, charts, aircraft system information, and trip planning functions are all within easy reach, while a new cockpit environment designed by BMW Group Designworks USA sets a new standard for ergonomics and aesthetics.

- Transferable 3 Year Honeywell HAPP Avionics Protection Plan (Expires 10/31/15)
- Connected Flight Deck
- Pilot & Copilot PFDs with Audio Panels and Marker Beacons
- Coupled VNAV System
- Dual GPS with WAAS Capability
- WAAS LPV (TSO-C146)
- Dual Mode S Diversity Transponders
- RDR 2000 Color Weather Radar
- WX 500 Stormscope
- Satellite Graphical Weather
- Class B TAWS
- TCAS I
- 406 MHz ELT with Nav to ELT Interface
- Dual ADAHRS
- Electronic Jeppesen Charts
- Honeywell Chartlink
- Electronic Checklist Function
- Standby Attitude Indicator
- Emergency Avionics Power System
- Dual Pitot Static Systems

Additional Features

- Transferable 3 Year Honeywell MPP Mechanical Protection Plan (Expires 10/31/15)
- Audio Input Accessory Jack
- Cabin CD Stereo System with Sirius Cockpit Integration
- Three (2) Cabin 110V AC Power Outlets
- Air Conditioning
- Pulse Light Recognition System
- Dual Lead Acid Batteries
- Cockpit Sheepskin Seat Covers
- Cockpit 110V AC Power Outlet
