

Specifications

Registration: N54NG

Serial Number: 510-0210

Year Built: 2009

Get the light, agile aircraft with a heavy jet soul. The speed and range inspired performance of the Mustang will tackle the sky like only a jet can while delivering the efficiency of a lighter aircraft. The Mustang's epic aerodynamic design and advanced technology make for exceptional short-field performance with the ability to climb 41,000 feet in 27 minutes, fly at speeds up to 400 mph, and yield a full-fuel range of 1,150 nautical miles.

- **Total Time Airframe (9/29/14): 1654 hours/1323 Cycles**
- **Total Time Left Engine (9/29/14): 1654 hours/1323 Cycles**
- **Total Time Left Engine (9/29/14): 1527.8 hours/1231 Cycles**
- **Engines Enrolled Citation PowerAdvantage+ Engine Program**
- **ProParts, ProTech & Cescom**
- **One U.S. Owner**
- **Cessna Service Center maintained**

The Global Leader in Business Aviation

Avionics

The Mustang's front office with Garmin G1000 integrated avionics delivers at-a-glance awareness that is comprehensive and intuitive. The three-screen Garmin G1000 avionics suite significantly decreases pilot workload and stress while consolidating all primary flight, navigation, engine, and sensor data onto large, easy-to-scan flat-panel displays. This innovative flight deck is standard on our single engine aircraft as well as all Caravan models, which keeps the learning curve low and the transition smooth for all Cessna pilots.

- Fully Integrated Garmin G1000 System
- Dual 10.4" Primary Flight Displays
- 15" Multi-Function Display
- Dual Navigation Receivers
- Dual VHF Communication Transceivers
- Dual GPS Receivers
- Class B EGPWS with Worldwide Terrain & Obstacle Database

PREMIER JET AVIATION

- Dual Air Data Computers
- Dual AHRS
- Honeywell KN-63
- Three Axis IFCS
- Dual Mode S GTX 33D Transponders with Antenna Diversity
- Four Color Weather Avoidance Radar
- Satellite Datalink XM Weather Transceiver - GDL 69A
- Dual Digital Audio Control System

Additional Features

- Garmin GDL 69A Satellite Weather
- Jeppesen Chart View
- TAS Honeywell KTA 870 Traffic Avoidance System (TCAS I)
- Wired for ADF
- KHF-150 HF Provisions
- SATCOM - Iridium Provisions
- SVT-Synthetic Vision
- XM Radio/Audio Input Panel
- 40 Cubic Feet Oxygen System
- RVSM Compliant

Exterior Description

New 2009. Striking exterior with Overall Snow White with Shamrock Green, Medium Gray and Royal Blue accent striping.

Interior Description

New 2009. Interior Option – Bronze. The cozy cabin interior of the Mustang offers the finest finishes and highest-quality materials for the top-rate luxury expected of a business jet. The Mustang's cabin quarters showcase six large oval windows providing spectacular views and abundant natural light.
