

1996 Citation Ultra

Registration: N4200K. Serial Number: 560-0354

This is the Citation Ultra, one of the world's most efficient business jets, offering ample cabin space and baggage capacity along with low acquisition and operating costs. The Ultra cruises at speeds up to 429 knots while comfortably operating at above the weather altitudes up to 45,000 feet. The Ultra can take-off from runways as short as 3,200 feet at maximum gross weight and fly over 1,900 nautical miles non-stop. Citation Ultras represent some of the best transportation values in the business jet market today.

- **Total Time Airframe: 7917.6 Hours (as of 11 March 2016)**
- **Engine Time Since Overhaul (2/11): 1089.6 Hours**
