

PREMIER JET AVIATION

2008 Citation CJ3 Serial 525B-0269

Registration: N411TJ

Serial Number: 525B-0269

Engineered for precise handling, superior performance, and aerodynamic prowess, the CJ3 features a new, wider-span, natural-laminar-flow wing design as well as a roomier cabin, longer range, greater speed, faster climb, and optimized fuel efficiency. Operating this single-pilot certified lightweight jet is so intuitive, it has pilots and passengers alike falling, or flying, in love with private air travel anew. Not all jets are distinguished as "Best of the Best," but the CJ3 is. The Robb Report editors selected the Cessna Citation CJ3 as "Best of the Best Business Aircraft Light."

- **Total Time Airframe (3/01/17): 3341.8 hours/2139 Cycles**
- **Total Time Engines (3/01/17): 3341.8 hours/2139 Cycles – 5000 Hour TBO**
- **Enrolled TapAdvantage Blue Engine Program, No Deferrals**
- **Enrolled on ProTech Inspection Program**
- **ProParts and Cescom**
- **Aircell ATG 2000 Gogo System with WiFi**
- **416 Knot Cruise, 1875 Nautical Mile Range**

The Global Leader in Business Aviation

Avionics

The most pilot-focused flight deck in the air today is in the cockpit of the Citation CJ3, powered by the Collins Pro Line 21. The cockpit features an integrated flight director/autopilot and EFIS system that puts many of the latest advances in jet avionics at the pilot's command. The ergonomic cockpit design was inspired by extensive research in human factors engineering. Its specific purpose is to reduce pilot workload and minimize distractions.

- 3 Screen Collins Proline 21 EFIS
- Dual Collins Nav/Com/DME
- Collins FMS-3000 FMS #1
- Garmin GPS-500 FMS #2
- FA2100 Cockpit Voice Recorder
- JAA FA2100 Flight Data Recorder
- Honeywell Mark VIII EGPWS
- TTR-4000 TCAS II version 7.1
- Collins ADF
- Electronic Charts: Jeppesen
- Broadcast Weather - XM
- Voice Annunciator
- Dual TDR-94D Mode S Diversity Transponders w/Enhanced Surveillance
- Collins WXR-800 Weather Radar
- Artex C406-N Three Frequency ELT w/FMS Interface

Additional Features

- Safe Flight Angle-of Attack Indexer
- Ground Communications Dispatch Switch
- Aircell ATG 2000 Gogo System with WiFi
- Steep Approach Option
- Tail Logo Lights
- Locking Fuel Caps
- Crew Seat Sheepskin Covers

Exterior Description

The new wing design innovates conventional wing design with a precise, computer-sculpted airfoil that maintains an uninterrupted flow of air across a greater portion of its surface, producing more lift with less drag.

Interior Description

Refurbished 2015. The CJ3 provides adjustable seating for six in a center-club arrangement around two executive foldout tables. Within reach of each passenger are seat-side

PREMIER JET AVIATION

power. Adjustable in-cabin LED lighting supplements the natural light provided by 14 triple-paned windows. Enjoy in-flight entertainment with the standard 110-volt power supply.

A five-inch dropped aisle, extending from the cockpit divider through the lavatory, yields a 57-inch-high cabin. The cabin is approximately 58 inches wide and 15 feet, 8 inches long — plenty of cabin space with multiple seating configurations. The CJ3's private aft lavatory is equipped with a belted flushing toilet and sliding privacy doors.
